

Our fixture on the 8th January 2012 was our thirteenth of our league campaign and at the final whistle we might have felt this we were unlucky not to have had a win having gained a 2-0 lead.

However as this represents our second best result we will not dwell on what might have been and instead reflect on what we did achieve and the improvement that this demonstrated over the same opposition back in September when we were soundly beaten 8-0.

We now have just 5 league fixtures remaining:

15th January 2012 11:00 Tonbridge Angels v Dartford	<u>Tonbridge Farm</u>	U13C
22nd January 2012 11:00 Tonbridge Angels v Bromley	<u>Tonbridge Farm</u>	U13C
29th January 2012 11:00 Tonbridge Angels v Ebbsfleet	<u>Tonbridge Farm</u>	U13C
12th February 2012 14:00 Villacourt Rovers v Tonbridge Angels	<u>Crofton Albion Sports And Social Club</u>	U13C
26th February 2012 11:00 Tonbridge Angels v Corinthian	<u>Tonbridge Farm</u>	U13C

With the squad currently 13 strong we might still need to bring one or two players in to ensure that we can complete our campaign without being short-sided with anticipated absences for fixtures on 22nd Jan & 12th Feb.

It was extremely pleasing to see the team playing with confidence and moving the ball along the deck through from defence, midfield and into attack to create shooting opportunities. We still needed to battle and were punished for any lapses but on the whole this was probably our best performance, if not result.

We need to complete the 2011/12 campaign before we can really think about the 2012/13 one although are mindful that the ambitions for the team are above where we currently find ourselves.

If the fixtures remain unchanged, we will look to celebrate completion of the campaign following the home match on the 26th February 2012 and then arrange a separate meeting to discuss next steps.
